

## TAX ASSURANCE SERVICES

With the many complex and changing regulations, tax planning is essential for effective business management.

We provide a full complement of tax consulting and compliance services for businesses and individuals. We recognise the needs of businesses for increasingly sophisticated tax services and advice with the objective of maximising tax benefits for the clients. In this connection, we have developed a wide range of services, namely:

### Tax Planning and Advisory

- Advising on tax aspects of acquisitions, mergers, reconstructions, divestments, reorganisation and public flotations
- Identifying possible business areas for tax planning and savings
- Providing tax opinions and recommendations

### Tax Assurance & Pre-Tax Audit Risk Management

- Improving accuracy of tax compliance and record-keeping
- Reducing costs to client when undisclosed tax liabilities are voluntarily disclosed before a Tax Authority audit.

### Tax Investigation

- Preparing capital statements
- Negotiating with tax authorities for optimum settlement terms

### Corporate Tax Services

- Corporate tax filing
- Applying for tax exemptions and tax incentives
- Corporate tax planning
- Negotiating with tax authorities and dealing with appeals
- Advising on developments in tax legislation and practices

### Personal Tax Services

- Personal tax filing
- Structuring tax efficient remuneration packages
- Personal financial and tax planning

### Real Property Gains Tax Services

- Filing of real property gains tax returns
- Advice on tax implications of disposal of shares in real property companies

### Indirect Tax Services

- Assisting with service tax and sales tax matters
- Application of licences
